

# **Geriatric Palliative Care in Advanced Dementia**

## The Palliative Care Centre for Excellence in Research and Education (PalC)

#### **Overview**

This interactive workshop aims to develop participants' theoretical and practical knowledge in delivering competent, evidence-informed palliative care in advanced dementia

#### **Objectives**

At the end of the course, participants should be able to:

- Identify patients' needs
- Manage symptom issues
- Provide for continuity of care
- Prognosticate reasonably
- Carry out end-of-life discussions with patients and caregivers
- Provide support to caregivers

#### **Who Should Attend**

Doctors, Registered Nurses, Pharmacists, Case Managers and Allied Health Professionals (Medical Social Workers, Art and Music Therapists, Physiotherapists and Occupational Therapists) in geriatric and/or palliative care.
