What do we know about death and dying? Has it been medicalized? This 4-hour workshop will give participants an understanding of the nursing, psychosocial, spiritual needs of patients at the end of life.

Course Objectives...

Participants would be able to:

- ✚ Recognize and effectively manage common symptoms experienced by patients in their last hours
- ✚ Describe at a basic level the psychosocial and spiritual needs of terminally ill patients, and employ appropriate interventions to address these needs
- ✚ Discuss the unique needs and challenges of communication at the end-of-life, and utilize effective strategies to facilitate compassionate and meaningful interactions
- ✚ Identify the needs and challenges of communications at the end-of-life
- ✚ Recognize the role of the nurse in relation to the patient and caregivers in the dying phase

Course Outline...

The following topics will be covered:

- ✚ Understanding Death Attitudes in Singapore
- ✚ Common Signs and Symptoms in the Final Hours
- ✚ Management of the Symptoms in the Final Hours
- ✚ Role of the Nurse in End-of-Life Care
- ✚ Basic Communications

Training Methodology...

Didactic lectures, case sharing, group discussions, multiple choice questions assessment

Trainer's Profile...

Ms Sylvia Lee Ling Ling is the first Palliative Care Advanced Practice Nurse (APN) in Singapore. She began her journey as a Palliative Care nurse since 1999, after completing her Master of Nursing (Clinical Practice – Gerontology) at the University of Sydney, Australia.

In mid-2006, she completed her Post-Master's Advanced Certificate: Advanced Practice Nursing in Palliative Care at New York University, USA. She obtained her license to practise as Palliative Care Nurse Practitioner in New York State, and was accredited by US National Board for Certification of Hospice & Palliative Nurses to practise as an Advanced Certified Hospice & Palliative Nurse (2006-2010). Sylvia is currently a Senior Advanced Practice Nurse (Palliative Care) with the Home Care and Programme Dignity team (integrated palliative home care services) at Dover Park Hospice.
